Vienna, Austria*

**SOFTPROM
IS A VALUE ADDED
IT DISTRIBUTOR
IN EASTERN & CENTRAL
EUROPE, CAUCASUS AND
CENTRAL ASIA.**

SOFTPROM

Cybersecurity for business

What to Do: Stay Safe

STOP & THINK: Don't rush. Scammers rely on impulsive clicks.

VERIFY: If an email seems suspicious, contact the organization directly using a known phone number or website, not the information in the email.

DELETE: If you suspect it's a phish, delete the message without clicking or replying.

REPORT: Report the phishing attempt to your IT department or email provider.

*The trust of
partners - the
highest score for
our team.*

*- Paul Zhdanovych, managing
director at Softprom*
